

Welcome!

Thank you for showing interest in joining the Ariel Community Development circle. Our goal is to join with local groups to bring positive change within their communities. We do this by building relationships and working together to identify and grow assets that already exist. We look forward to meeting you and finding out more about what you carry and how we can facilitate you within our group.

It would be helpful for you to fill out the following questionnaire so that we can get to know you better.

- 1) Full name
- 2) How did you hear about us?
- 3) Previous experience in the area relating to community development/ social impact
- 4) What skills/ expertise do you bring, "to the table"?
- 5) Are you currently involved in a community development project? Are you looking for financial support for that specific project?
- 6) Where do you live? (So we can know your time zone for future Zoom call scheduling)
- 6) Is there anything else you would like us to know?

Please feel free to write up your answers in an email and send to ACDforms@arielglobal.com. We will be following up with a live call (Zoom) so we can answer any questions you have for us. We look forward to meeting you. During that call we'll let you know how a typical meeting runs and what our expectations would be from you.

We appreciate your patience with the Community Development sector of Ariel; we are learning as we grow!

Sincerely Yours,
The Community Development Team
